BOARD OF DIRECTORS

“Someone’s sitting in the shade today because someone planted a tree a long time ago.”
 - Warren Buffet

Very simply, the Prescott Foundation is in the business of planting seeds that will make Prescott an even better place to live, work and raise a family. Some of our seeds (grants) grow very quickly, others very slowly. This report illustrates some of the grants that have been made to make Prescott a better community.

The Board of Directors provides leadership for the Foundation. All Directors are respected community leaders who donate their time and talents to raise funds and to understand the why and how behind grant requests ensuring the dollars will positively impact the Prescott area. Please do not hesitate to contact a Director if you have any questions about the Foundation.

During tough economic times it can be difficult to find money in your budget to support non-profit organizations. A special thank you to the 155 individuals and businesses that donated over \$60,000 in 2008. Your consideration is greatly appreciated.

Franz Altpeter
 President, Prescott Foundation

**How to
 Donate**

Please consider supporting the Prescott Foundation by making a gift today! Every gift makes a difference and strengthens programs that are most important to the residents of the Prescott area.

There are many ways to support the Prescott Foundation: cash, real estate, wills and bequests, securities, life insurance, and retirement plan assets.

You may designate the placement of your gift and choose a program important to you. If you prefer, you may simply send us a check. Please make checks payable to Prescott Foundation and mail in the enclosed envelope.

ANNUAL REPORT

**Prescott
 Foundation**
Making A Better Community

hunter education

"The grant the **SPORTSMAN'S CLUB** received from the Prescott Foundation really helped lay the groundwork for our entire organization. With the money we received we were able to pay the attorney, accountant and the first year's insurance so we could operate. We currently have 140 members and we've completed 2 classes with 37 students, learning about gun and hunter safety. We were also able to complete a successful fall fundraising dinner and gave our first \$500 scholarship to a graduating Prescott senior. We are very happy to receive the generous support of the Prescott Foundation and look forward to serving the Prescott community for a long time to come." – Eric Penk, President of the Prescott Sportsman's Club

community garden

"Creating a garden can be a humbling experience. Those of us who were raised on farms and moved onto a city lifestyle forgot about the amount of work and materials required to create a garden space. It's one thing to visualize a concept. It is another to see the reality," said Barbara Wyatt. "Since the **BORNER FARM PROJECT** garden is now in place, the seeds are sprouting and the plants are growing, the visual speaks for itself. The Prescott Foundation provided the much needed "seed" money to get our project started."

2008 GRANTS

- Freedom Park
- Girls Basketball All Star Game
- Malone Elementary School
 - Fidget Boxes
 - Smartboard
 - Softball Field Improvements
- Pierce County Salvation Army
- Prescott Area Food Shelf
- Prescott High School
